One Question, Scores of Responses
December 14th – 20th

Goal Setting Video VI Sponsored by Capogna
Orthodontics December 21st – 27th

From the Editor's Desk:

December is that precious time of year that we balance the cold hard facts of dropping temperatures and bitter winds with the warm feelings of Christmas and Hanukkah. Granting Mother Nature and Old Man Winter their due, we concede and build layers of protection while keeping the seasonal spirit closer to the heart. Carry with us during the month of December, the outlook of Dr. Suess:

"And the Grinch, with his Grinch-feet ice cold in the snow, stood puzzling and puzzling, how could it be so? It came without ribbons. It came without tags. It came without packages, boxes or bags. And he puzzled and puzzled 'till his puzzler was sore. Then the Grinch thought of something he hadn't before. What if Christmas, he thought, doesn't come from a store. What if Christmas, perhaps, means a little bit more."

This month, pause to consider what this holiday season truly means and slow down enough to think about what you have to offer this community and enjoy what this community offers you.

-Carah A. Naseem
Assistant Editor, DECEMBER, 2009

Who's Who & When

By Andrew Malmgren

Launching the December line-up of power videos airing on LongIslandNEWS.info, from November 30th through December 6th we bring you video footage of **A Step Above Performing Arts** where fitness, fun, and friendship reign. View video footage of the dance studio that Lydia Magaddino saved and observe a “home away from home” where dancers find a second family.

Witness instructors Mr. Matt and Miss Jenn along with their students expressing themselves through physical motion and understand that through dance they simultaneously emit raw emotion and gain strength and conditioning. We went inside the studio to shoot the dancers practicing for and discussing their up-coming competitions. The enthusiasm they share at A Step Above gave rise to their tagline, “where learning is fun!” Director, Lydia Magaddino, and her assistant Miss Carmen revived the studio that risked closing its doors and inspired a tremendous sense of camaraderie among the staff and students.

Participate in a FREE month of classes with the “NEWS Promotion” on the back of this Print Edition and receive a bonus T-Shirt. Visit A Step Above at 4877 Merrick Road, a few blocks west of MHS, find out more information on their website at AStepAboveStudio.com, and telephone them at 799.8485.

Next up on the video trail is **Joanne Mills**, licensed real estate sales professional with Exit Realty Premier. From December 7th through the 13th, view footage we shot inside their Merrick Road location in the Southgate Shopping Center across from MHS. Joanne gives the first ever “State of the Market” address wherein she discusses lower inventory in the Greater Massapequas, less competition for sellers and a stabilizing market. Hear Joanne speak about how government tax incentives have been enhanced to include sellers.

Joanne’s address alleviates any concerns about maximizing the sale of your house and concludes this video with a handful of reasons why selling during the holidays is an exceptional idea. Understand that buyers searching for a home during the holiday season are very serious about buying. Extremely knowledgeable about “getting buyers off the fence and into a home,” Joanne philosophy about real estate is simple: “Be considerate to people’s needs.

Explain everything up front. Be persistent, flexible, reliable, and most of all be professional.” For additional information, find Joanne on the web at JoanneMills.com for ongoing live webinar series that you can attend from your home computer for great buying and selling information. Also, meet Joanne in person at Exit Realty Premier, 4900 Merrick Road, Suite 600 in the Southgate Shopping Center and be sure to ask for a FREE, no obligation Premier Advantage Consultation. Speak with Joanne Mills directly via telephone: 795.1000 Ext. 15.

Following Joanne on the video trail from the 14th through the 20th is the “One Question, Scores of Responses” video that will absolutely entertain you. We went on a multiple location shoot to ask this community one simple question and compiled answers that are guaranteed to amuse!

Finally, the Goal Setting Video series continues with edition VI sponsored by Capogna Orthodontics. From December 21st through the 27th view the continuation of the massapequaNEWS.com original project designed to assist in visualizing dreams. We carry on the encouragement of kids young and old to daydream, set deadlines for their dreams and take on the task of achievement.

Television writer and producer, Rhonda Byrne, in her book *The Secret* describes, “...you will come to know how you can have, be, or do anything you want.” When you switch your focus over to what you want, you easily over-come obstacles and attract exactly what you are looking for.

Last month, Cris, Rob, Jen, Frank, William, Marianne, Tyler, Kaitlin, Meaghan, Anna, Frank, Amanda and Mike each spoke on camera about their goals and every one is working on or already has achieved their goal. Come in and appear on camera in the NEWSroom on December 18th from 3-5 p.m. and take aim at your objective. Be ambitious, be bold, “Ask, Believe, Receive.” For more information speak with Christine Sohmer in the NEWSroom at 799.NEWS (6397).

Line-up of videos introduced on the cover of the January 2010 Print Edition **deadline** for guaranteed inclusion is Friday, December 18th at 12:00 noon **799.NEWS (6397) §**
